Dear Ms. Brown,

I am writing to express my support for the First Christian Church's application for grant funding from the Save America's Treasures grant program. Located in Columbus, Indiana, First Christian Church has been a magnificent architectural treasure in the Community since 1942.

Since 2001, First Christian Church has been a National Historic Landmark designated by the National Park Service. The impact that this building has on the community is truly significant and the structure has been a shining example of contemporary architecture throughout the United States.

Thank you for your consideration of First Christian Church's application to Save America's Treasures, and for your attention to this letter.

Respectfully,

A handwritten signature in blue ink that reads "Greg Pence".
